In re Application of:	:	DECISION VACATING CORRECTED
Davis <i>et al.</i>	:	NOTICE OF ALLOWANCE AND
Application No. 10/048,138	:	FEE(S) DUE
Filed: January 22, 2002	:	
Attorney Docket No. SP00-191	:	

The above-identified application is before the Group Director of Technology Center 2800 for review. This is also a response to applicant's telephone inquiry of March 23, 2005.

The Corrected Notice of Allowance and Fee(s) Due mailed March 10, 2005, is hereby vacated.

A review of the application file records reveals that a Notice of Allowability and a Notice of Allowance and Fee(s) Due were mailed on February 20, 2004, and that the issue fee was timely paid on April 20, 2004. In response to an inter Office query identifying a minor typographical error in claims 17 and 26, the examiner mailed a Supplemental Notice of Allowability with an examiner's amendment correcting the identified error on March 10, 2005. The Office also inadvertently mailed a Corrected Notice of Allowance and Fee(s) Due on March 10, 2005. The Corrected Notice of Allowance was mailed in error and therefore is appropriately **vacated**.

Telephone inquiries regarding this decision should be directed to Ed Glick, Supervisory Patent Examiner, at (571) 272-2490.

The above-identified application is being forwarded Office of Publications for prompt issuance of a patent.
